

Product ALERT: Transferring Discrete Semiconductor Business – Various Diodes and Small Signal Transistors - Update

PA.PG30.07.23.2019

07.23.2019

Effective Date:	December 1, 2019 (Previously announced as November 1)
Product ALERT Details:	<p>As announced in a press release issued on May 21, 2019 (https://na.industrial.panasonic.com/whats-new/panasonic-corporation-transferring-discrete-semiconductor-business-rohm), Panasonic Corporation is transferring various Diode and Small Signal Transistor business to ROHM Co., Ltd (ROHM). This Product Alert confirms that this business transfer has been approved by the appropriate authorities.</p> <p>Please continue to place orders with Panasonic as usual until August 31, 2019. Panasonic will complete deliveries for these orders by November 30, 2019. For product demands from December onwards, please contact ROHM directly. (https://www.rohm.com/sales_support)</p> <p>PLEASE NOTE: After the business transfer, Panasonic will supply the same products exclusively to ROHM as the sub-contractor until ROHM establishes their production system. There will be no change in the production sites and materials as long as Panasonic supplies the products. Part numbers remain the same.</p>
Affected Part Numbers:	See attached list of 988 Affected Part Numbers.
