

Dear Valued Customers

Doc# : PC# 180711

Issued on : November 19, 2018

Asahi Kasei Microdevices Corporation

### Product Change Notice

Regarding the "Product Discontinuation Notice" dated on June 1, 2018 (PD#180306), we inform you that we have decided to transfer the assembly fabrication for some products to J-DEVICES CORPORATION. The details are as shown below and in the attached.

We would like you to be noted that these products are still being phased out even with this change. If in the case of the selection of the devices, please consider the alternatives or contact our sales or AKM partners.

### Note

**Products** 5 products (see the list below)

**Change Items** Production site (Assembly process) and its related change

\*For details, please refer to the attached explanation of change for each product.

### Summary of the change

Items		Current	After
Production Site	Assy.	Renesas Semiconductor Package & Test Solutions Co., Ltd.	J-DEVICES CORPORATION
		3-3274 Yagihashi Higashi, Oaza-Hanazawa, Yonezawa-shi, Yamagata 992-8530, Japan	476-1 Kamiokuma, Miyawaka-shi, Fukuoka 823-0005, Japan
		Yonezawa Factory	Fukuoka Center
	Plating	Suzuki Hitech	Mihara Electronics
Equipment	Assy.	Existing machine	Existing machine
	Plating	Existing machine	Existing machine
Package Outlook		Change	
Package Dimension		Change	
Materials		Change	
Process of Manufacture		Change	
Operator		Change	

**Reasons** Due to the termination of the assembly process of the VSOP24 at Yonezawa factory of Renesas Semiconductor.

**Influence on Quality**

No influence is to be confirmed by the evaluation of electric characteristics and reliability tests.

Current and new products are recognized by changing our internal part name and date code on the package.

**Schedule****Current Products**

April 22, 2019

Deadline of demanded quantity of the current products

End of June, 2019

Termination of the production at the current site

**Successor Products**

End of March, 2019

Completion of the electric characteristic test

Sample available

End of September, 2019

Completion of the reliability test
