### Product Discontinuance Notification Details

#### Description of Discontinuance:

Texas Instruments Incorporated (TI) is announcing the discontinuance of select operational amplifiers. Part Numbers are listed in the Product Affected table below. A last time buy is being offered per the date shown above.

Equivalent recommended replacements are being offered, as shown, in the Product Affected table. The replacement products are undergoing a change in PCN 20221216011. Changed material may begin shipping after expiration of PCN 20221216011.

NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the changed replacement products based on PCN 20221216011, please contact your local sales representative.

#### Reason for Withdrawal/Discontinuance:

TI will no longer support certain tube or gold wire (-NG) variants for the following products. The recommended replacement products are equivalent devices shipped in large reels.
