RE: PDN 100922-01 - Notice of Obsolescence –Selected Interface Products

Dear Sir/Madam:

This is notification that the military temperature range versions of the Interface products listed below have been discontinued by Exar Corporation due to low market demand, effective immediately.

Obsolete Part Number	Suggested Replacement
SP1486EMN-L	SP1486EEN-L
SP1486EMN-L/TR	SP1486EEN-L/TR

Since there have been no sample or production orders shipped for this device, no orders will be accepted for this discontinuation. Please note that the industrial temperature range version of the devices (SP1486EEN-L and SP1486EEN-L/TR) remain active.

No other notices will be sent regarding the obsolescence of these parts. If you have any questions regarding this notice, please contact Lisa Bedard at lisa.bedard@exar.com.

Exar Corporation appreciates your business and looks forward to continuing to meet your Interface requirements in the future.

Sincerely,

Sam Stewart
