

<b>Title of Change:</b>	Product Discontinuation Notice for NCV7341D21R2G related to Fab2 sale
<b>Last Time Buy Date:</b>	21 Nov 2021
<b>Last Ship Date:</b>	21 May 2022
<b>Contact information:</b>	Contact your local ON Semiconductor Sales Office or <a href="mailto:Bernard.Blanchet@onsemi.com">Bernard.Blanchet@onsemi.com</a>
<b>Type of notification:</b>	Customers must notify ON Semiconductor (< <a href="mailto:PCN.Support@onsemi.com">PCN.Support@onsemi.com</a> >) in writing within 90 days of receipt of this notification if they consider the discontinued product to be "Sole Source." ON Semiconductor and the customer may negotiate an appropriate End-of-Life.

### Description and Purpose:

ON Semiconductor announced on February 3, 2020 its intent to explore the sale of its manufacturing facility in Oudenaarde, Belgium. To ease the transition in a mutually beneficial manner, ON Semiconductor wishes to collect from its customers their product "All-time-needs" as early as possible to plan enough capacity within the current facility for building the Last-Time-Buy volume for products that will not be transferred to another factory.

ON Semiconductor wishes to promptly inform its customer of its intent to exit this small portion of its overall portfolio so that its Customers may plan appropriately and effectively for replacement devices.

To aid in this process, ON Semiconductor has provided a replacement device: NCV7343D20R2G.

NCV7343 is a direct replacement for NCV7341. The absence of Vsplitt pin is normally not blocking functional replacement of NCV7341 by NCV7343 in existing applications. Vsplitt pin (11) is NC (not connected) on NCV7343.

PLEASE NOTE: ON Semiconductor may implement minimum order quantities or dollar amounts based on inventories available. Also, Devices on this Product Discontinuance become NCNR (Non-Cancelable, Non-Returnable).

For questions or concerns regarding this notification, please contact your local sales office or customer service representative.
