

Product Discontinuance Notice - PDN 19_0093 Rev. -

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a product discontinuance for certain ADI products (see Discontinued Parts Material List below). Any issues with this PDN must be sent to ADI as soon as possible. The information contained within this PDN is considered proprietary and should not be shared outside of your company. ADI contact information is listed below.

PDN Title:

LT1572 AND LTC1574 OBSOLESCENCE

Publication Date: 18-Nov-2019

Last Time Buy Date: 06-Jan-2020

Last Time Ship Date: 31-Jan-2020

Revision Description:

Initial Release

Reason For Discontinuance

We are no longer able to source the wafer, N111 arsenic doped epi. Last order was 2012 or before and is no longer on avl. We can't produce this part without a qualification that re-introduces the material, and that volume won't be enough for any vendor to consider making it.

Comments

We are no longer able to source the wafer to manufacture this part.
