

Cree LED High Brightness Series LED Product Change Notification

Customer Name:	All HB customers	PCN Reference Number:	CreeLED-PCN-5236
		Date Issued:	September 20, 2021

Please be advised that Cree LED qualified a Minor change to High Brightness LED products and that we will begin shipping the affected product with the change 30 days after the PCN issue date.

Please review the additional PCN information below.

Affected Product

Table 1 provides a list of products affected by this Minor change:

Table 1 Affected Products List

Cree LED Part Number
All HB products

Description of the Change

The appearance of the humidity indicator cards and desiccants will be changed, but the materials used for the cards and desiccants remain the same. There will be no change made to the functionality of the cards and desiccants.

Humidity Indicator

Current:

New:

10 G Desiccant:

Current:

New:

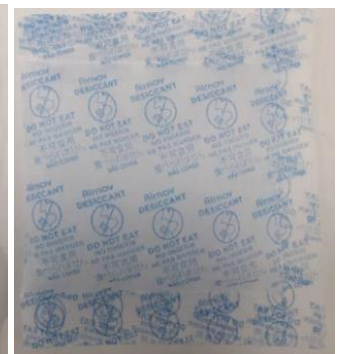

15 G Desiccant:

Current:

New:

Reason for the Change

The supplier's company name changed, so the labels changed.

Change Impact on Form, Fit, Function, or Reliability

We will begin shipping the affected product with the change 30 days after the PCN Issue Date. Customers may receive shipments containing both current and new humidity indicator and desiccant until the inventory is depleted. Customers purchasing through a distributor will be further delayed to see this change until the inventory depleted from distributor stock.

This has no impact on the form, fit, function, or reliability of the above series LEDs. No customer action is required. This product change affects neither the order codes nor the bin codes.

Key Dates

Table 2 provides estimated dates for key PCN Milestones based on information available at the date the PCN was issued. Any updates to these dates can be provided by the Cree LED contact listed in Table 3.
