Subject	Addition of a new factory for SLF-H series production (GuangXi Factory)		
Classification of Change	1. Design contents	2. Material	3. Manufacturing method (4. Others)
Information beforehand	(No)	Yes: Addressed to	

Contents:

Approval request for addition of production base:

Before change : Pingzhou Electronics Co.,Ltd. Foshan Factory

After change : Pingzhou Electronics Co.,Ltd. Foshan Factory
 Pingzhou Electronics Co.,Ltd. GuangXi Factory

- ※ Nothing will be changed about production company, process control and used materials in this addition.
 - ※ In the winding process, winding method will be changed from conventional manual winding to automatic winding.
- Please refer to the attachment for details of this change.

Reason:

We would like to apply for a factory addition because of the reorganization of production base for the purpose of stable supply of products and risk aversion. We have no plan to change both our item names and your part numbers associated with this change. We would like to ask you to allow us to deliver the products manufactured in these two factories with natural changeover from the following scheduled due date onward.

We would appreciate your understanding that we will deliver the products manufactured in both two factories with natural changeover from September 2013 onward if this information for change isn't returned to us by scheduled date.

Scheduled due date: September 2013 (natural changeover)

Response

Implementation: Approval
Conditional approval
Not approval
