Items	Discontinuance notice for CT2520DB crystal unit with Thermistor				
Classifications	Design, Material, Production process, Place of manufacture, Distribution channel, Others (Production discontinuation)				
Description	We have decided to discontinue the production of CT2520DB crystal unit with Thermistor due to following reasons. We would like to ask your usual understanding on this decision taking into consideration the situation. • Kyocera series name to be discontinued: CT2520DB series Object Product Series: (1)CT2520DB19200C0FLHA1 (2)CT2520DB19200C0FLHAF (3)CT2520DB19200C0FLHAR (4)CT2520DB19200C0FLAA4 (5)CT2520DB19200C0FZA4 (6)CT2520DB19200C0FZA2 Production Termination: May 17,2022				
Reasons	Demand of CT2520DB crystal unit continues to decrease substantially and the cost to maintain older production facilities, combined with the difficulties of producing above items.
