

Final Product Change Notification

PCN number 2023030004DN

Issue Date:2023-03-24
Effective Date:2023-03-25

Dear *Customer*,
Here's your quality information concerning products our customers and partners purchased from WeEn.

Management Summary

This notification is to discontinue additional G1 SiC products. For the detailed, please view this notification and product list.

Product Discontinuation Notification

Information Notification

This discontinuation notice confirms to your company that WeEn Semiconductors is now discontinuing the manufacture of G1 SiC products listed in the file of Product List included with this notification. In accordance with WeEn product discontinuation policy, we are hereby giving the notice to our valued customers and partners to adjust the product purchasing record, or make any final lifetime purchase of the discontinued products. We regret the inconvenience and impact this notice may cause. WeEn Semiconductors is ready to assist you in placing final orders, or in providing product information you require. We appreciate your understanding and assistance in helping us to help you minimize the impact of this product discontinuation on your company. We look forward to WeEn Semiconductors continued support of your company semiconductor requirement in the years to come.

Why do we issue this Information Notification

There are new generation SiC parts with better performance and quality.
