PDN 149462: Product Discontinuance Notice – Products single-sourced from Plessey Semiconductor Ltd. Wafer Foundry

Discontinuance Notice

Description of Change:

Microsemi is announcing the discontinuance of products listed in listed the Products Affected section due to an unexpected and non standard discontinuance of wafer foundry supply from Plessey Semiconductor Ltd.

Reason for Discontinuance:

Plessey Semiconductor Ltd. is “discontinuing certain business activities including specifically wafer foundry manufacturing services.” The action was/is non-negotiable.

Customer Impact:

Due to the non standard notification period imposed by Plessey Semiconductor Ltd, Microsemi has no alternative but to set an accelerated last time buy order date for our customers and discontinue supply of the affected products. Supply may be limited and orders will be taken on a first-come, first-served basis. Orders for these products will be non-cancelable and non-returnable. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than May 30, 2014. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as soon as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: December 19, 2014

Please note that Microsemi will continue to ship last-time-buy orders as requested only through December 19, 2014. Product orders must be scheduled to ship no later than this date.
