

Retraction Notice: Panasonic Connector Series Partial Not Recommended For New Design Retraction Notice

RN.PG01.03.16.2022

03.16.2022

About This Notice:	This Retraction Notice officially retracts Panasonic’s previously published Connector Series Partial Not Recommended For New Design NRFND.PGC0003.9.18.2019 for select part numbers in the notice.
Effective Date:	Immediate
Retraction Details:	43 part numbers per the Panasonic Connector Series Partial NRFND.PGC0003.9.18.2019 are now considered active part numbers. The remaining parts are still considered Not Recommended For New Design.
Affected Notices:	NRFND.PGC0003.9.18.2019 is now partially retracted. Please see attached files.
Notes:	Panasonic Industrial has received requests from our valued customers to continue the promotion of the select Connector Series. Panasonic management made the decision to withdraw the NRFND notice for select part numbers. Panasonic reserves the right to change the active status on some or all of these Connector Series in the future according to market demand.
